

Your post is fine. Your first line isn't.

Three horizontal gray bars representing a text input field.

1 Tension beats news

✗ ~~Excited to announce
our new product!~~

✓ **We almost didn't ship this.
Here's what changed our mind.**

2 A lesson beats a milestone

~~Grateful to hit 1,000 followers!~~

1,000 followers taught me
one thing about tired days.

3 Specific beats generic

×

~~5 tips to be more productive~~

✓

**The 10-minute Monday list
that saves my week.**

The trick

**Write the first line
about the reader's
problem, not your news.**

Which first line would you keep reading?

1, 2 or 3?
